

Mission Statement

Make-A-Wish® creates life-changing wishes for children with critical illnesses.

Wish Impact

We are on a quest to bring every eligible child's wish to life, because a wish is an integral part of a child's treatment journey. Research shows children who have wishes granted build the physical and emotional strength they need to fight a critical illness. This improves their quality of life and produces better health outcomes. A wish transforms the lives of children, their families, volunteers, supporters, medical professionals and entire communities.

Wishes are Granted Worldwide

Make-A-Wish® Texas Gulf Coast and Louisiana is one of 62 chapters throughout the United States and its territories. Since our chapter's inception in 1984, we have granted over 8,200 wishes and during our fiscal year 2017 we granted 428 wishes. Make-A-Wish is the world's leading children's wish-granting organization, serving children in every community in the United States and in 50 countries worldwide. Since 1980, more than 285,000 wishes to children in the U.S. and its territories.

Volunteers Make Wishes Come True

Together, generous donors, supporters, staff and 33,000 volunteers across the U.S., grant a wish every 34 minutes, on average, somewhere in the country. Our chapter is governed by a 41-member Board, made up of 28 directors and 13 advisors from both states as well as a 9 (6 full-time and 3 part-time) member staff to cover both states. Volunteer committees assist in all phases of our mission, from child-focused wish teams to solicitation of goods and services to meet the needs of specific wishes.

How Wishes Come True

Wish children are referred to Make-A-Wish by immediate family members, medical professionals or the children themselves. Once Make-A-Wish has been contacted, a medical release form is sent to the child's primary physician. Upon medical approval, a volunteer team sets up a time to visit with the child to determine the one true wish in that child's heart. Then the wish team makes the necessary arrangements for the wish to come true (average wish cost is \$8,900). The goal is to provide a joyful and meaningful experience that gives the immediate family time together away from medical treatments and medical bills.

Who does your donation serve?

Children from 47 counties in the Texas Gulf Coast area and all 64 parishes of Louisiana benefit from the efforts of this Make-A-Wish chapter.

Your Donation Fulfills the Wishes of Children

To maintain the integrity of the mission of Make-A-Wish, responsible stewardship of funds is promised to every donor, sponsor, volunteer and wish family. Each year our chapter's financial records are audited by an independent auditing firm. The fiscal 2016 audit confirmed that 92 cents of every dollar donated was used or set aside for the granting of wishes – the Foundation's main purpose – while only 8 cents from every dollar went towards administration and fundraising.
