About Sky High

Sky High is a nonprofit organization whose mission is to bring communities together, through fundraising events, to provide comfort, fund research and save lives of children fighting pediatric cancer and other life-threatening conditions.

Since 2007, Sky High has donated over \$7 million to St. Jude Children's Research Hospital, Texas Children's Cancer Center and the Ronald McDonald House of Memphis amongst others. Sky High is comprised of a small staff, board of directors and an army of volunteers who work tirelessly for their mission.

Sky High has several major events each including sporting clay and golf tournaments in Texas and Louisiana as well as countless others, each growing exponentially year-to-year. In addition to the fundraising events, Sky High hosts carnivals for children undergoing treatment annually, collects hair donations, takes patients and their families on hunting, fishing and camping adventures and more!

About Make-A-Wish

Make-A-Wish® creates life-changing wishes for children with critical illnesses. We are on a quest to bring every eligible child's wish to life, because a wish is an integral part of a child's treatment journey. A wish transforms the lives of children, their families, volunteers, supporters, medical professionals and entire communities. Since our chapter's inception in 1984, we have granted over 8,200 wishes and during our fiscal year 2017 we granted 428 wishes.

Make-A-Wish is the world's leading children's wish-granting organization, serving children in every community in the United States and in 50 countries worldwide. Since 1980, more than 285,000 wishes have been granted to children in the U.S. and its territories. The fiscal 2016 audit confirmed that 92 cents of every dollar donated was used or set aside for the granting of wishes – the Foundation's main purpose – while only 8 cents from every dollar went towards administration and fundraising.
